

Courtney: "Yummy a potato!!!" opens mouth to eat

Abby: WAIT This innocent food can kill you!!

Courtney: *Act very confused* (what)????

Abby: Yes this food is a gmo, genetically modified organism!!!

Destiny: Shake head "no we are good for you!!!!go ahead and eat up the potato

Abby: No you can cause horrible kidney and liver problems then....you can't poop

Destiny: Well your poop takes a while to make anyway we will just make it a little longer

Courtney: EWWW STOP THIS TALK OF POOP!!!!!!

Abby: It's true you will have pro.....

Courtney: NO STOP RIGHT THERE!

Destiny: We are so yummy though

Abby: Maybe so but you will be the reason that many people die young it's becoming harder and harder to find organic foods

Courtney: *Start to walk to throw away the potato* i don't want to die!

Destiny: Wait we taste so very good don't waste us we fill your stomach

Abby: No you don't, you make it harder to digest

Courtney: HMMM my belly hurts

Abby:why? O wait cause u just ate 10 other potatoes

Destiny: I give up! go be healthy and live long lives!

Courtney: Throw away the potato

Abby: We need to be careful what we eat now please throw you "potatoes" away

All: Grab trash cans and hold them up

Audience: Throw their potatoes and try to make them into the garbage.

All: Pick up the ones that didn't get in the trash.

Courtney: I think..... I understand why we need to be careful what we eat!!!

Destiny: Why is that??

Abby: Well they can really hurt your health.

Destiny and Courtney: How is that??

Abby: Well you can get bad kidney and liver problems.

Destiny: Whatever

Abby and Courtney: Do you wanna get hurt or stay healthy?

Destiny: Well stay healthy. But then what are they going to do with me??

Abby: Well we could try to make you healthier.

Courtney: How?

Abby: Nods at Courtney aka throw her away

Destiny: Hey what u guys talking about?????!!!!!!* put a little worry in your voice*

Courtney: Giggle slightly

Destiny: Umm guys hey hey remember i brake easy!

Abby: Lets take out the trash

Destiny: Try to run away

Abby and Courtney : NO NO NO!!!!

Destiny: Run out of the room

Courtney: That may help me but what about the rest of the world????

Abby : Thats is the problem we face, if no one even made the first gmo we would still be healthy and live longer lives.

Destiny : Pop your head back in room "We will rule the earth HAHAHAHAHAHAHAHAHAHHA"

Abby and Courtney: Haha no u wont

Destiny: *Try to tower over us* we shall

Abby and Courtney: Push her back *gently*

Destiny : ROAR * stomp off angrily*

Abby: mock * ROAR

Destiny: I guess I don't understand why I can't be eaten.

Abby and Courtney: Cause you hurt people's bodys.

Destiny: I don't want to though.

Abby: Well you can not really help it cause you don't chose to have bacteria shot in you. Im sorry.....if you want we can throw you away.....okay?

Destiny: YES YES please do!!!!

Courtney: If you want us to we will

Destiny: Look throw me away before I change my mind

Abby: Ok courtney and I will throw you away.

Courtney: Yes we sure will!!!!

Destiny: YAY I feel good throwing away all this germs!

Abby: Okay let's do this

All: Walk over to trash

Courtney: Wait!!!!!!

Destiny: I.....I.....don't want to get thrown away!!!!

Abby: YOU WANT TO HURT PPL?!?!?!?!?!?

Courtney: Wait.....she could go around and tell people about how bad gmos are!!!!!!!!!!

Destiny: YES YES i want to be safe and alive!!!!

Abby: Fine, if she wants to.....don't let anyone eat you though

Destiny: I won't, I promise

Courtney: Okay!

Abby: Turn and look at audience* Please raise your hand if you understand why we put on this play,*Hands raise, We also raise our hands*, Okay you can put your hands down. Now who here didn't understand *BLAH BLAH BLAH* Answer 3 questions*

Destiny: Thanks guys for being so quiet well we did our play.
